

**ExpressTec**  
Rolling Door System

**EASCO Shower Doors**

# ExpressTec Rolling Door System

*Smooth, Luxurious, Affordable*

ETT-201 Door & Panel

ETT-379 Door & Panel & 90° Return

ETT-381 Door & Notched Panel & 90° Return

**ExpressTec** features a nearly-frameless design with a rolling door and a fixed panel and low profile extrusions. The ExpressTec series combines the best qualities of a by-pass slider and the frameless appeal of heavy glass. And the affordable price allows the hallmark features of doors owned by few to be in the homes of many.

- ◆ Stylistic Rolling Door with Fixed Panel
- ◆ Extra Heavy Gage Anodized Aluminum
- ◆ 6mm Tempered Glass (Nominal 1/4", .219 - .244) - ANSI Z97.1, CPSC 16 CFR 1201
