Expressions By-pass Tub and Shower Sliders

The smallest profile by-pass slider on the market!

- Extra Heavy Gage Anodized Aluminum Header, Side Jams and Easy to Clean Sill
- 6mm Tempered Glass (Nominal 1/4", .219 - .244) - ANSI Z97.1, CPSC 16 CFR 1201
- Thru-the-glass Expressions Towel Bars
- Exposed Thru-the-glass Roller Brackets with Anti-jump Feature

See the difference

Expressions Series by-pass sliders feature a nearly-frameless design with an extremely low profile header. In-fact it the smallest in the industry.
